Questionnaires and Surveys

We occasionally may ask visitors to our Web site to complete online surveys and opinion polls about their activities, attitudes and interests. These surveys help us serve you better and improve the usefulness of our site. In conducting these surveys we may ask you for your name and email address. We do not keep any personal information about you in connection with your participation in a crew-com.com survey unless you specifically agree to provide that information.

Non-Personal Information

We collect certain aggregate and non-personal information when you visit this Web site. Aggregate and non-personal information does not relate to a single identifiable visitor. It tells us such things as how many users visited our site and the pages accessed. By collecting this information, we learn how to best tailor our Web site to our visitors. We collect this information either through “cookie” technology or with “web beacons,” as explained below.

Cookies

Like many companies, we use browser cookies on this Web site. Browser cookies are bits of text that are placed on your computer’s hard drive when you visit certain Web sites. We use browser cookies to tell us, for example, whether you’ve visited us before or if you’re a new visitor and to help us identify site features in which you may have the greatest interest. Browser cookies may enhance your online experience by saving your preferences while you are visiting a particular site.

The “help” portion of the toolbar on most browsers will tell you how to stop accepting new browser cookies, how to be notified when you receive a new browser cookie, and how to disable existing browser cookies. Remember though, without browser cookies, you may not be able to take full advantage of all our Web site features.

Web Beacons

Certain pages on our site contain “web beacons” (also known as Internet tags, pixel tags and clear GIFs). These web beacons allow third parties to obtain information such as the IP address of the computer that downloaded the page on which the beacon appears, the URL of the page on which the beacon appears, the time the page containing the beacon was viewed, the type of browser used to view the page, and the information in cookies set by the third party. We use log files to store the data that is collected through web beacons.

Information We Share

We do not sell or otherwise disclose personal information about our Web site visitors, except as described here. We may share information provided by our visitors to tempestwireless.com with service providers we have retained to perform services on our behalf. These service providers are contractually restricted from using or disclosing the information except as necessary to perform services on our behalf or to comply with legal requirements. In addition, we may disclose information about you (i) if we are required to do so by law or legal process, (ii) to law enforcement authorities or other government officials, or (iii) when we believe disclosure is necessary or appropriate to prevent physical harm or financial loss or in connection with an investigation of suspected or actual illegal activity.
